

# **Friday Night R6 Rulebook**

## Discord Rules

All members must follow [Discord's Terms of Service](#). Violating these rules may result in staff intervention and appropriate disciplinary action.

### Respect & Behavior

Be respectful to all members. Harassment, discrimination, or offensive behavior including racist, obscene, or derogatory language will not be tolerated.

### No Spam or Trolling

Spamming, flooding chat, excessive copy-pasting, and false announcements are not allowed. Trolling in any form is also prohibited.

### No Doxxing

Sharing another person's private or personal information including names, photos, addresses, workplaces, phone numbers, or financial details is strictly forbidden. Anyone caught doxxing will receive an **immediate permanent ban**.

### Keep Sensitive Topics Out

Avoid discussions about politics, religion, drugs, or self-harm. These topics can be divisive and are not permitted on the server.

### No NSFW Content

Posting or sharing NSFW content including explicit images, graphic violence, or inappropriate discussions is prohibited. Attempting to bypass filters or indirectly reference restricted content is also not allowed.

### No Impersonation

Do not pretend to be another person, including staff members, other community members, or public figures. Misleading others in this way is strictly prohibited.

### No Buying, Selling, or Trading

Do not request or offer money, gifts, trades, or services within the server. Soliciting direct messages for transactions of any kind is also not permitted.

## Direct Messages & External Conduct

While staff do not actively monitor private messages, we reserve the right to take action if off-server behavior negatively impacts the community.

**Any threats of terrorism will result in a ban**

# FNR6 Tournament Rules

All players must be in the server to play/compete

## Timeouts

- You will have 2 timeouts per match. 30 Seconds
- Timeouts are on in Match Do Not Request a Timeout if a Player Lags out or Disconnects the host will Pause Timer.
- Role Swap Timeouts are on! Use that time to plan out.
- Please use them wisely!

## Time Chalking

- Each team has 30 minutes before match time to warm up. The team must @ the host to let them know that they are ready.
- When a team is ready the host will invite them to the lobby.
- Once notified when a team is ready, the Host will contact your opponents. If opponents are not ready then they must give a certain time no longer than 20 to 30 minutes. Failure to respond or not be ready within that time will result in a Forfeit.

## Subs

- You can sub before or after a match.
- You can not sub mid-match unless under specific circumstances.
- Subs must be listed on your roster.

## Stream Sniping

- Stream sniping is not allowed. Any player who is caught stream sniping while participating in the game will result in a disqualification.
- Stream does have a 60 second delay on the stream.

## Console Third-Party Devices & More

- Cronus, Wingman, and similar third-party devices are banned.
- If a team is caught with any disallowed third-party device, they will forfeit the match.

## Other

- Window glitch = loss of round.
- All games will be hosted on Central servers.
